CAMPUS ELECTIONS COMMISSION
Voters Guide

SPRING GENERAL ELECTION APRIL 25-26, 1989

BALLOT MEASURE

Do you support funding the construction of an expanded University Center and Recreation Center/Pools and Fields Complex? The cost per student will be $12 per quarter beginning in Fall 1989 and will escalate incrementally each academic year until it reaches a maximum of $33 per student per quarter by Fall 1992.

YES ______ NO ______

RECREATION CENTER/UNIVERSITY CENTER FACT SHEET

STUDENT FEE REFERENDUM - SPRING 1989

Student input received through campus surveys and from the collection of approximately 7,000 signatures resulted in a recommendation that a proposal for expanded student services facilities (the Rec/Ucen project) be brought before the University via a special student fee election. State funds are not used to pay for student facilities. On April 25th and 26th, students will have the opportunity to decide if new facilities will be built at UCD.

RECCUcen PROJECT

Recreation Center
- Activity/Gymnasium
- 4 basketball courts
- 5 volleyball courts
- 5 racquetball courts
- 2 squash courts
- 2 Pools - with diving boards
- 75' X 200'
- 75' X 75'
- Weight Room
- Lighting - Rob Gym Fields
- Pool Changing/Locker Area
- General Space
- Classroom/Meeting Room Lobby Area
- Lobby Area
- Offices/Storage

University Center
- Recreation Center
- Food Services
- Kitchen Expansion
- New Food Outlets
- Larger Country Store
- Additional Seating
- Bookstore Expansion
- More Student Offices
- Meeting Areas
- Multi-Purpose Room
- New Meeting Rooms
- General Space
- Study Space
- Lounge Area
- Lobby/Information
- Recreation Room

PROJECT COMPLETION

Lighted Fields - 1990 (Spring/Fall)
Aquatics Complex - 1991 (Winter/Spring)
Rec/UA Project Recreation Center - 1992 (Fall)
University Center - 1993 (Spring)

PROJECT FUNDING

Enrollment $18,000
Bond Interest 9.0%
Student Fee Per Quarter:
1988-1989 $15
1990-1991 $19
1991-1992 $22
1992-1993 $25
Student Fee Contributions:
Project Financing $14,307,000
Graduated Fee Equity $5,022,000
Other Campus Contributions: $6,000,000
(Students Fee Advisory Committee, Chancellor's Office, UCSB Foundation and University Center)

TOTAL Project Costs: $25,329,000

RECREATION CENTER PROPOSAL

Description of Major Spaces
- The scope of the project includes an aq
- Activity/Gymnasium
- Physical Education courts, five volleyball courts (with/without) with supervised markup for badminton and in- door soccer; motor driven basket surfing; maple hardwood flooring, accommodation for electrical and mechanical requirements, 200' high ceilings for roof support structure, access to nearby public restrooms and general locker rooms in Rob Gym or the construction of adequate public restroom if located at a more remote site.
- Classroom/Meeting Room
- 800 SF
- One room of approximately 600 SF di-
- Storage Rooms
- 1,000 SF
- Storage should be easily accessible from the principal activity areas and provide sufficient space for volleyball, badminton, tennis, and other equipment.
- Recreational Secretary/Lobby
- 800 SF
- This area will be designed to maximize registration/registration procedures in the lobby area, and be located proximal to the Intramu-
- Bookstore
- 11,000 SF
- To extend the current bookstore to better meet the student demand for general goods, textbooks, computers, clothing and other supplies.
- Associated Students
- 330 SF
- A.S.U.C. Ticket Office and Wordprocessing
- 5,000 SF
- The ceiling and carpeting of the new student services area will be included. Ample wall space for specific equipment set-up. A partition will be placed at the mid-point of the facility to allow for space separation.

Mail/Workroom
- 240 SF
- Located central to the administrative of- fice complex. Easy access, ample storage shelving.

Office
- 3,000 SF
- A suite of offices will accommodate ad- ministrative staff and the administrative and instruc- tional staff of the department of Physical Education and Recreation. Nineteen offices of approximately 120 SF, three offices of approximately 180 SF, two offices of approximately 240 SF and one recreation/office area of approximately 300 SF.

Pools
- 260 SF
- Two pools. One measuring 75' X 75' (3.0 ft. to 4.5 ft. sloping) and the other 75' X 200' (3.5 ft. to 18 ft. sloping) to be located in close proximity to the recreation center complex and may be possible in close proximity to Rob Gym to take advantage of the locker and rest room facilities. The pool area will be easily accessible from the changing area/ shower and will include approximately 25' of perimeter deck on all pool sides with spectator seating capacity planned as for a future addition. Springboard diving equip- ment will include two 3-meter diving boards and two 1-meter diving boards and will be located in the deep end of the large pool.

Two handicapped access boats will be located in the small pool. All heating and filtration will be housed in a storage area adjacent to the pools.

General Locker Rooms/Changing Area
- 2,000 SF
- To be located proximal to aquatics com- plex and will be close to the swimming lockers in Rob Gym as possible. Two changing areas of approximately 1,100 sq. ft. each (men and women's) with showers, toilet facilities and short term storage lockers/ lockers to accommodate approximately 85 people per hour per area. One equipment room of 200 SF to service both changing areas jointly. Lockers/changing areas will be designed to accommodate future expan- sion.

UNIVERSITY CENTER EXPANSION PROPOSAL

The details of the Ucen Expansion space requirements are described below. A con- siderable amount of groundwork has been done for nearly five years prior to this latest concentrated effort by the student members of the Ucen Governance Board. Some of the work includes several surveys to a ran- dom group of Ucen building users in 1984 and 1986, research on expansion efforts happening on other campuses, work with a local architectural firm to help develop a project program, and an architectural re- ducing of what the building might look like. The specific allocations consist of the following... ASF - Assignable Square Feet

Meeting Spaces
- 9500 SF
- Provides five new meeting rooms and a large multi-purpose room. The meeting rooms and multi-purpose room can be used for a variety of functions including performances, films, concerts, dances, and any special events.

Lounges
- 2100 SF
- The lounge facilities provide quiet areas for reading and studying, television watching or just for conversation and relaxation. Ad- ditional lounge study space will be provided in Food Service areas after the lunch rush hours. Space allocation will also include a recreation desk and a lobby information desk.

Multi-Cultural Center
- 2000 SF
- To provide a central gathering place on campus which would express the international and ethnic cultures and allow cultural expression and programming of both an informal and organized basis to take place.

Food Service
- 8600 SF
- To provide expanded menu and service for Ucen customers. Spaces include two new food outlets, increased space for the candy store, new serving areas, offices, and an expanded kitchen.

Bookstore
- 11,000 SF
- To extend the current bookstore to better meet the student demand for general goods, textbooks, computers, clothing and other supplies.

Associated Students
- 330 SF
- A.S.U.C. Ticket Office and Wordprocessing

To better meet the demands for sales of tickets for University events, academic de- partments and movie theater tickets. It will also include the A.S.U.C. Wordprocessing serv- ice.

A.S. Notetaking & Publications
- 300 SF
- The A.S. Notetaking service will improve their ability to provide supplementary lecture notes to students, faculty, and staff. Publications will improve their services of reproduc- tion and sales of educational and classroom materials, major print copy work and other jobs requested by faculty and students.

Associated Students
- 745 SF
- A.S.U.C. Ticket Office and Wordprocessing
