### REAFFIRMATIONS:

**Undergraduate and graduate students will vote on these two initiatives:**

#### Counseling and Career Services Support Fee

Do you reaffirm a mandatory fee of $5.85 per undergraduate and graduate student per quarter, including summer, in order to provide funds to maintain service levels for Counseling and Career Services? If reaffirmed, the fee will continue to be assessed until subject to reaffirmation in spring 2013.

- **Yes**
- **No**

Counseling Services receives $2.69 (of the $5.85 fee) to see graduate and undergraduate students who are in emotional distress. Along with providing confidential individual counseling, we work with roommates, friends, parents, teaching assistants, faculty, and staff to help them get counseling for someone in need. Students also now have access to counseling 24/7 through our phone counseling services.

Referring to support education will allow us to continue to support psychologists, psychiatrists, and budget permitting, avoid co-pays and reduced hours. A yes vote for this reaffirmation will ensure that we are able to continue to offer these essential services to all graduate and undergraduate students in need.

Counseling Services receives $3.16 (of the $5.85 fee) to assist approximately 10,000 students per year with career-related issues such as making a career decision, job and internship search, and non-traditional student development. This money will help us increase access to internships and part-time jobs; assist with graduate school applications; provision of job search tools such as workshops, employer information sessions, job fairs, and on campus interviews assistance. Spring 2009, these minimums are met, one job developer and six related marketing efforts, and the free three-month grace period for students after graduation.

Refilling this fee will support employer development, outreach, career counseling staff, and budget permitting, enable us to avoid reducing hours and instituting or increasing fees for testing, job fairs, and workshops. By voting for this fee, you ensure Career Services will continue to be available for your career counseling needs and continue to offer quality services.

#### Women’s Center Support Fee

Do you reaffirm a mandatory fee of $4.25 per undergraduate and graduate student per quarter, including summer, in order to maintain programs and staff positions? If reaffirmed, the fee will continue to be assessed until subject to reaffirmation in spring 2013.

- **Yes**
- **No**

The Women’s Center support fee will maintain staff and programs such as the Rape Prevention Education Program (RPEP) and the Resource Center for Sexual and Gender Diversity (RZED). Due to budget reductions in the past few years, both programs have had to cut back staff and services. Even with the support fee, current and projected budget cuts could lead to further reductions in staff and services.

In addition to maintaining staff and services, the support fee will help with operating costs of the public spaces within the Women’s Center (e.g., the library, art gallery, meeting rooms, e-mail and non-traditional student lounge). It will also help to improve current Women’s Center programs and services such as 1) the rape prevention education program; 2) help for individuals in crisis; 3) support for lesbian/gay/bisexual/transgender/intersex/allied communities; 4) student-initiated activities and events; 5) expanded operating hours by maintaining student staff; 6) student internships and 7) workshops, lectures, films and other educational programming.

---

### NEW FEES:

**Only undergraduate students will vote on the initiative:**

#### Educational Opportunity Program (EOP) Support Services Fee Increase

Do you approve of a $3.10 per undergraduate student per quarter, including state-funded summer quarters, mandatory fee increase to provide funding to support academic, social and cultural programming designed to meet student-centered retention efforts? The fee may also be used to fund student staff salaries in support of this program. ($0.78 is for return to aid and $2.32 goes to EOP). The fee is in addition to the $2.75 per student per quarter (fall, winter, and spring) currently collected. If passed, the fee increase would begin fall 2009, be subject to joint reaffirmation (base fee of $2.75 plus increase of $3.10) in spring 2013, and raise the total undergraduate per student quarterly fee to $5.85 (fall, winter, spring and summer). Failure of the reaffirmation of the base fee of $2.75 negates the increase, whether or not the increase passes.

- **Yes**
- **No**

For over 30 years, the Educational Opportunity Program (EOP) has offered a student-centered retention service that has assisted students in their transition to the university, in their pursuit of a baccalaureate degree, and in their advancement towards attaining a professional or doctoral degree. While EOP focuses on first generation and/or low-income students, some programs, such as the Summer Transitional Enrichment Program (STEP), peer advisors, and cultural services, are open to all undergraduate students.

Budget cuts necessitating an increase of this fee will allow EOP to continue supporting academic, social and cultural programming to the general campus and help meet student-centered retention efforts.

---

### THE ELECTION IS ON LINE!

**How to vote:** Go to the UCSB Gold system and follow the instructions after pressing the “Student Elections” button. You may vote on any computer with internet access. Computer banks are located at the SRC, UCSA, Davidson Library, and many residence halls. Any difficulty voting should be reported to 893-8824.

**PRO/CON STATEMENTS**

All registered students are invited to submit written statements of support or opposition for publication in the Daily Nexus. Pro/Con statements must include the author’s name and be submitted electronically to suzanne.perkin@sa.ucsb.edu, by 5 pm on Tuesday, April 7, 2009.

Statements will appear in the Daily Nexus on Tuesday, April 14 and Wednesday, April 15.

---

### VOTER TURNOUT REQUIREMENTS

A minimum 25 percent voter turnout is required in order for the elections to be considered valid. A reaffirmation fails if 60% + one of the voters votes “no”. A sliding scale based on the 5-year average voter turnout (27.64 percent for undergraduates, 27.24 percent for undergraduates and graduate students combined) is used to determine whether an initiative passes. If there is a 20 percent voter turnout, two thirds of those voters must support the measure. If the turnout is 27.64 percent or higher for measures voted on by undergraduates only, or 27.24 percent or higher for measures voted on by both undergraduates and graduate students, 50 plus one voter approval is needed for the initiative to pass.

---

These campus-wide measures will be on the ballot along with candidates for R.S. offices and R.S. fee reaffirmation items. Graduate students will vote on a separate ballot. Be sure to be a registered student by April 17, 2009, to be eligible to vote!
