ONLY UNDERGRADUATES WILL VOTE ON THIS INITIATIVE:

**Student Recreation Facilities Enhancement – “Flip the Switch for Student Recreation”**

Do you approve a mandatory fee of $15.00 per undergraduate student per quarter, including summer, in order to support the repair, renovation, restoration, and lighting of Robertson Gymnasium, Pauley Track, and Storke Field, (Breakdown: $11.25 goes to the projects, $3.75 for return to aid)? Of the $11.25 for the projects, a 7% administrative assessment will be charged to all non-capital expenditures. If passed, the fee would begin fall 2013 and continue for 10 years without reaffirmation. At the end of ten years, the fee would convert to an on-going maintenance fee of $2.00 per undergraduate student per quarter, including summer, plus then current return to aid and administrative assessment and would be subject to reaffirmation every four years thereafter.

**Recreational Sports currently collects:**
- $5.25 per undergraduate per quarter (including summer) through an A.S. lock-in fee for intramurals,
- $12.10 per undergraduate per quarter (including summer) through an A.S. lock-in fee for recreational sports,
- $7.00 per undergraduate and graduate per quarter (including summer) through a campus lock-in fee for recreational sports

The Recreation Center currently collects:
- $24.68 per undergraduate and graduate per quarter (including summer) through a campus lock-in fee for RecCen 1 & aquatic center,
- $34.50 per undergraduate and graduate per quarter (including summer) through a campus lock-in fee for RecCen 2,
- for a total of $83.53 per undergraduate per quarter to support recreation and associated facilities.

The Recreation Facilities Enhancement fee would be in addition to the $83.53 currently collected, and would bring the total collected by Recreation for facilities and programs to $98.53 per undergraduate per quarter.

The Women, Gender, and Sexual Equity (WGSE, formerly known as the Women’s Center) Support Fee Increase

Do you approve a mandatory fee increase of $3.92 per undergraduate and graduate student per quarter, including summer, in order to further support the Women, Gender, and Sexual Equity Department (WGSE, formerly known as the Women’s Center), (Breakdown: $2.94 goes to WGSE, $0.98 is for return to aid)? Of the $2.94 for WGSE, a 7% administrative assessment will be charged to all non-capital expenditures.

The WGSE currently collects $4.25 per undergraduate and graduate student per quarter (including summer), currently up for reaffirmation, through a campus lock-in fee. If passed, the fee would begin fall 2013, be subject to joint reaffirmation (base fee of $4.25, plus increase of $3.92 = $8.17) in spring 2017, and would raise the total undergraduate and graduate per student quarterly fees for this service to $8.17 (fall, winter, spring and summer).

Failure of the reaffirmation of the campus lock-in base fee of $4.25 negates the increase whether or not the increase passes.

**NEW FEES**

The Women, Gender, and Sexual Equity support fee increase will help maintain staff and programs including Campus Advocacy Resources and Education (formerly the R ape Prevention Education Program); Lesbian, Gay, Bisexual, Transgender Resources; Women’s Center programming; and Non-Traditional Student Services. The support fee will maintain the public spaces within the Women’s Center, Resource Center for Sexual and Gender Diversity, and Non-Traditional Student Resource Center (e.g., libraries, art galleries, meeting rooms) through the addition of new technology, library acquisitions, art gallery resources, and replacement of aging equipment. It will also help to improve current WGSE programs and services such as 1) the Campus Advocacy Resources and Education; 2) help for individuals in crisis; 3) support for lesbian/gay/bisexual/transgender/intersex/ally communities; 4) student-initiated activities and events; 5) student employment opportunities; 6) student internships; and 7) educational programming.

**Health & Wellness Programs Fee**

Do you approve a mandatory fee of $7.13 per undergraduate and graduate student per quarter, including summer, in order to support Health & Wellness Programs, (Breakdown: $5.35 goes to Health & Wellness, $1.78 is for return to aid)? Of the $5.35 for Health & Wellness, a 7% administrative assessment will be charged to all non-capital expenditures. If passed, the fee would begin fall 2013 and would be subject to reaffirmation in spring 2017.

**Undergraduates and Graduates Will Vote on These Two Initiatives:**

**Women, Gender, and Sexual Equity Support Fee Increase**

Do you approve a mandatory fee increase of $3.92 per undergraduate and graduate student per quarter, including summer, in order to further support the Women, Gender, and Sexual Equity Department (WGSE, formerly known as the Women’s Center), (Breakdown: $2.94 goes to WGSE, $0.98 is for return to aid)? Of the $2.94 for WGSE, a 7% administrative assessment will be charged to all non-capital expenditures.

The WGSE currently collects $4.25 per undergraduate and graduate student per quarter (including summer), currently up for reaffirmation, through a campus lock-in fee. **Health & Wellness Programs Fee**

Do you approve a mandatory fee of $7.13 per undergraduate and graduate student per quarter, including summer, in order to support Health & Wellness Programs, (Breakdown: $5.35 goes to Health & Wellness, $1.78 is for return to aid)? Of the $5.35 for Health & Wellness, a 7% administrative assessment will be charged to all non-capital expenditures. If passed, the fee would begin fall 2013 and would be subject to reaffirmation in spring 2017.
Reaffirmation of this fee will allow us to continue to support psychological positions, and budget permitting, avoid co-payments and reduced hours. A yes vote for this reaffirmation will ensure that we are able to continue to offer these essential services to all graduate and undergraduate students in need.

Career Services receives $3.16 (of the $5.85 fee) to assist approximately 10,000 students per year with career-related issues such as major and career selection; access to internships and part- and full-time jobs; assistance with graduate school applications; provision of job search tools such as workshops, employer information sessions, job fairs, and on-campus interviews assistance. Specifically, these monies support one career counselor, one job developer and related marketing efforts, and the free three-month grace period for students after graduation.

Reaffirming this fee will support employer development, outreach, career counseling staff, and budget permitting, enable us to avoid reducing hours and instituting or increasing fees for testing, job fairs, and workshops. By reaffirming this fee, you ensure the Career Services will continue to be available for your career counseling needs and continue to offer quality services.

Women, Gender, and Sexual Equity (WGSE, formerly the Women’s Center) Support Fee

Do you reaffirm a mandatory fee of $4.25 per undergraduate and graduate student per quarter, including summer, in order to enable the Women, Gender, and Sexual Equity Department to maintain programs and staff positions? If reaffirmed, the fee will continue to be assessed until subject to reaffirmation in spring 2017.

For over 30 years, the Educational Opportunity Program (EOP) has offered a student-centered retention service that has assisted students in their transition to the university, in their pursuit of completing a baccalaureate degree, and in their advancement towards obtaining a professional or doctoral degree. While EOP focuses on first generation and/or low-income students, some programs, such as the Summer Transitional Enrichment Program (STEP), peer advisors, and cultural services, are open to all undergraduate students.

This EOP student services fee currently supports out-of-class learning experiences accessible to all students by: 1) providing one-on-one and group mentoring by our counselors and student staff; 2) maintaining student employment opportunities through our peer-to-peer and cultural services programs; 3) sustaining and increasing academic, career and leadership development opportunities to comparable levels prior to our budget cuts; 4) co-sponsoring student-initiated programs and events that facilitate collaboration between students, the administration, faculty and the surrounding UCSB community; and 5) strengthening campus-wide programming that addresses issues such as the low rates of recruitment, retention and graduation of first generation and/or low income students within the university system.

Budget permitting, a reaffirmation of this fee will allow EOP to continue academic, social and cultural programming for the general campus and student-centered retention efforts.

Educational Opportunity Program (EOP)

Student Services Fee

Do you reaffirm a mandatory fee of $5.85 per undergraduate student per quarter (of which $0.78 is for return to aid), including summer, in order to support EOP programs and services? The EOP student services fee would help to continue student-centered retention programs and services that are available to all UCSB students. If reaffirmed, the fee will continue to be assessed until subject to reaffirmation in spring 2017.

EOP currently collects an additional:
- $1.25 per undergraduate student per quarter (excluding summer), collected through Associated Students for an emergency grant fund, for a total of $7.10 per undergraduate student per quarter for EOP services and grants.

The fee augments the approximately $2,500 per year generated from interest on the “Jack Canfield Chicken Soup Fund.” The Canfield fund provides monetary assistance to a limited number of undergraduate students experiencing medical emergencies. The SMERF fee creates additional funds for students unable to cover the costs of emergency medical, dental, or optical care. The fund supplements existing insurance coverage and/or helps students meet costs of procedures not covered by insurance. The fund is governed by a board consisting of student members and career staff representing several student services on campus. The board meets with applicants once a week to review their requests. During the 2011-12 year, 29 students applied for a grant from the SMERF fund and received a total of $50,890 toward their medical, dental and optical emergencies.

VOTER TURNOUT REQUIREMENTS

A minimum 20 percent voter turnout is required in order for the election to be considered valid. A reaffirmation fails if 60% + one of the voters vote “no.” A sliding scale based on the 5-year average voter turnout (26.69 percent for undergraduate students, 34.82 percent for undergraduates and graduate students combined) is used to determine whether an initiative passes. If there is a 20 percent voter turnout, two thirds of those voting must support the measure. If the turnout is 34.82 percent or higher for measures voted on by both undergraduates and

student-imposed mandatory campus fees. The fee applies to undergraduate and graduate student fees.

Definition of ADMINISTRATIVE ASSESSMENT: The administrative assessment, currently 7% of the base fee charged, is assessed to non-capital expenditures for every campus-based, student-initiated, new mandatory fee and increase to an existing fee. The surcharge is used by the campus to cover the administrative costs of collecting, accounting for, and disbursing the student-imposed mandatory campus fees. The assessment applies to undergraduate and graduate student fees.

This voter information pamphlet has been produced by the Campus Elections Commission. The commission, which comprises students, faculty, and staff members, is a neutral body that advises the chancellor on all matters pertaining to campus-wide elections and conducts elections in such a way that the interests of the voters and the institution are well served through the process. The Campus Elections Commission is not affiliated with Associated Students elections.
