Multicultural Center (MCC) Support Fee

Do you wish to continue a mandatory fee of $8.52 (for 2018-19 academic year) per undergraduate student per quarter to support the Multicultural Center (MCC)?

Yes No ABSTAIN

The MCC fee helps pay for the educational and enhancement programs and activities of the MCC, including multicultural programming, programming for students based on race, ethnicity, or culture. This fee is in addition to the $13.24 per graduate student per quarter.

Since the fund began twelve years ago, TGIF has supported over 140 projects, including hydration stations, sustainable food systems, solar projects, LED lighting, sustainable lab assessments, and student internships to support these projects. UCSC has committed to reducing its net greenhouse gas operating emissions to zero by 2025, and the projects funded by TGIF assist the campus in achieving this goal.

Counseling and Psychological Services (CAPS) Support

Do you wish to continue a mandatory fee of $3.07 per undergraduate and graduate student per quarter primarily for counseling, and has allowed CAPS to provide crisis intervention, prevention, and treatment for stress, anxiety, depression, and other mental health concerns.

Yes No ABSTAIN

The fee also is also subject to a cost of living adjustment (COLA) every five years and is next up for a COLA in fall 2020, then fall 2025, and so forth.

The fee is in addition to the $2.69 per undergraduate and graduate student per quarter (including summer), in order to continue to maintain its current level of service, as well as academic skills and cultural diversity of the CAPS staff.

Counseling & Psychological Services (CAPS) supports students through the promotion of psychological well-being for individuals and the student community to respond to undergraduate and graduate students’ need for crisis intervention, ongoing therapy, and therapy groups. It also funds suicide prevention efforts (such as the bystander campaign), 24/7 phone counseling, and has allowed CAPS to provide crisis intervention, prevention, and treatment for stress, anxiety, depression, and other mental health concerns.

The fee is in addition to the $3.07 per undergraduate and graduate student per quarter currently collected through other campus and student government fees for support their services, for a total of $35.76 per undergraduate and graduate student per quarter. If reaffirmed, the fee will continue to be collected until subject to reaffirmation in 2022.

Recreational Sports Fee

Do you wish to continue a mandatory fee of $7.00 per undergraduate and graduate student per quarter (including summer) to fund the Recreational Sports? The fee is in addition to the $15.18 per graduate student per quarter currently collected through the Department of Recreation through other campus and student government fees for support recreational programs and associated facilities, for a total of $30.78 per undergraduate and $56.18 per graduate student per quarter. If reaffirmed, the fee will continue to be collected until subject to reaffirmation in 2022.

The Recreational Sports Fee helps fund the operation of intramural, club sports, adventure programs, student events, and open recreation programs. The fee also funds student government costs for all students and provides employment opportunities for over 300 students annually.
